Dear Business Partner:

Martin Warrior Golf Booster Club provides support to Martin High School (MHS) golf teams. Martin Golf is an extracurricular athletic course for boys and girls. We work hard to provide opportunities for the golfer to improve both in the mental and physical parts of the game so that they can be their most competitive. We also are there to celebrate their growth and accomplishments.

The Warrior Scramble is an annual tournament and fundraising event that benefits the Martin High School Warrior Golf Program. The Warrior Scramble is supported by community partners, parents, Arlington ISD staff, and MHS golf team members. The tournament serves to provide a portion of the budget necessary for the students to participate in and compete with Martin's athletic golf program. It also helps to equip players with necessary tournament gear and competitive training aids.

We hope that we can count on businesses like yours to donate items to our 12th Annual Warrior Scramble Tournament. We are in need of donated items such as products, gift cards or gift certificates, gift baskets, tickets, or any other items for the raffle we hold during the tournament.

This will promote your business as we celebrate our sponsors and contributors at our tournament as well as on our website and social media. It also is a tax-free donation for you as we are a 501(c)3 non-profit tax-exempt organization.

If you have any questions or need additional information, please contact me by phone/text at 214-734-3380.

Thank you in advance for your support.

Sincerely,
Julie Whaley, Raffle Chairperson
